## ARMOR TEMPERED GLASS

Unlike traditional plastic screen protectors, GLASSGUARD tempered glass helps absorb impact from drops, leaving the phone screen below intact. The smoothness and clarity of the tempered glass makes the screen protector feel more like your actual smart phone screen than a plastic screen cover would.

## PRECISE FITTING

Tempered glass screen protector specifically designed for iPhone 6/7, iPhone 6/7 Plus.

## ULTRA THIN

Thickness to maintain 100% touch accuracy and sensitivity.

## ULTRA CLEAR

99.9% transparency provides natural high definition viewing experience.

## SCRATCH PROOF

Keys and coins can now coexist with your smartphone in your pocket and purse.
